Partner with Flathead Land Trust: Healthy Lands, Thriving Community

Become a Flathead Land Trust Business Member and make a positive impact on both your business and the Flathead Valley community.

Flathead Land Trust was a major partner in the Somers Beach State Park Project

Collaborating with several partners, Flathead Land Trust helped create the Bad Rock Canyon Wildlife Management Area

Working with partners, Flathead Land Trust conserved and developed trails at Harrell Forest, which it now owns & manages

Membership Benefits:

Visibility

At the \$500+ level, you will be featured in our monthly e-News (1,800+ subscribers), on social media and on our website.

**Community
Involvement**

Receive invitations to special events and opportunities to shape future conservation efforts.

**Better
Business**

Advertise your commitment to sustaining our open space, agricultural heritage, clean water and Flathead way of life.

Flathead Land Trust was a major partner in permanently protecting Owen Sowerwine
